

## NICT-3D CG Test Sequences (Shark and MicroWorld)

The supplied data and content (“Supplied Data”) is provided free of charge and made available for use by the Licensee, who shall be a member of the JCT-3V standardization committee, under the following conditions:

The Licensee agrees that the Supplied Data and all intellectual property rights therein remain the property of the National Institute of Information and Communications Technology (NICT) and its licensors (owners). The Supplied Data may only be used for the purpose of developing, testing and promulgating the JCT-3V technology standards and for academic usage. The respective owners make no warranties with respect to the Supplied Data and expressly disclaim any warranties regarding its fitness for any purpose.

As a way of promulgating the technology standards, the Licensee may present parts or modifications of the Supplied Data at academic conferences and publications.

In the use of the parts or modifications of the Supplied Data, the Licensee shall make the source clear in appropriate manners.

The Licensee agrees not to provide the data to any third parties without permission from the owners and that the data shall not be sold, let for hire, or by way of trade, offered or exposed for sale or hire. This restriction shall apply to the original material or to any reproduction of it in whole or in part and to any modifications of the Supplied Data.
